

Restatement of Design Guidelines Rules & Regulations  
Landscape Guidelines: Rock Ground Cover  
**Riverhaven Community Association, Inc.**

**Landscape Guidelines - Rock Ground Cover**

If decomposed granite or other landscape rock is used, it must be of an "earth tone desert brown color" color and **NOT** red, white, green, blue, or any other bright colors.

Specifically, any rock ground cover added must blend in with the original KB chosen earth tone **desert brown color.**

River rock shall be one (1) to six (6) inches in diameter and not more than fifteen percent (15%) of the front yard landscaping.
